Significant cash available to settle all put options as they fall due

# OUTLOOK

2021 momentum has been sustained in Q1 2022 and is expected to continue into 2022/23 despite current geo-political turmoil and the inflationary impact on consumer spending

Expect higher growth in higher margin specialisms, not as exposed to consumer or economic downturn

Continued focus on connection, digitisation and simplification, driving efficiencies and reflecting client priorities

# ACCELERATED STRATEGY

## 1 MORE CONNECTED

Driving greater collaboration across specialisms and regions

Leveraging central 'fuel' capabilities including Growth Team, Data Capability, and Innovation and Sustainability start-ups

Adopting shared technology platforms to enhance connectivity across the Group

## 2 DIGITAL ACCELERATION

Connecting and scaling our global marketing capabilities with focused investment in data and martech

Continued focus on digital via substantiated M&A / investment based on client needs: ecommerce, analytics and insight, data tech consulting, and digital product and service innovation

Driving back-office efficiencies by leveraging technology

## 3 FURTHER SIMPLIFICATION

Simplified structure that reflects how clients buy solutions

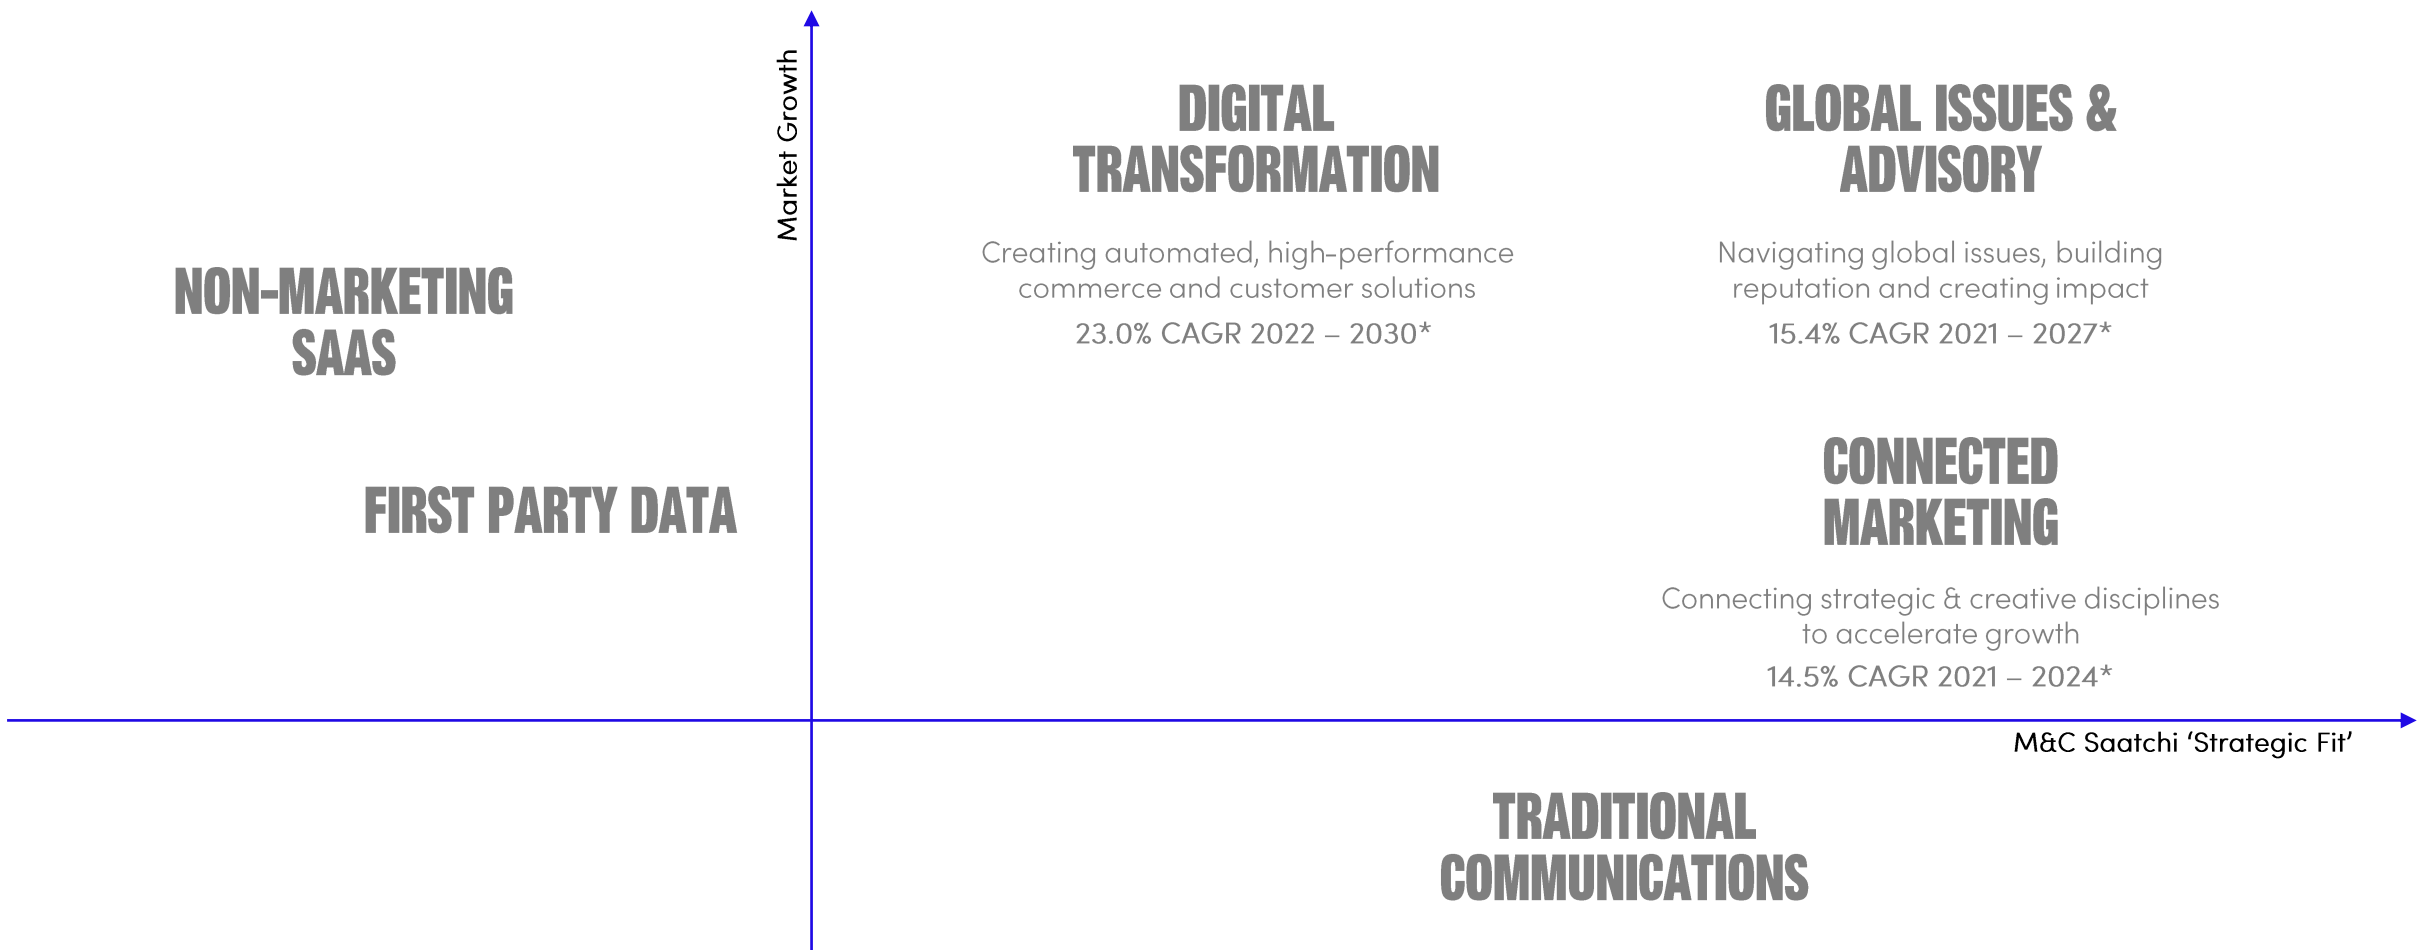

- Addition of Digital Transformation division to focus on high growth client need

- Expansion of Global & Social Issues into Issues, Advisory & Reputation for commercial and government clients

- Rationalisation of remaining specialisms into Connected Marketing

Fully centralised functions with potential to offshore / outsource

# CONTINUING TO INVEST IN THREE PROVEN GROWTH AREAS
